IRA Work Study Funding Request

The Instructionally Related Activities (IRA) board allocates work study funds during each academic year. The IRA work study funds are only available for students working specifically in support of IRA certified programs. Work study funds cannot be used for student competitions or performances, but can be used for students supporting the competition or performance.

1. Name of IRA program requesting the work study funds: _________________________________

2. Name of your college/unit: _________________________________

3. Dollar amount requested: _________________________________

4. Number of students to be paid from these funds: _________________________________

5. List how the work study funds will be used to support the IRA program, including job duties, etc.:

Request submitted by:

_________________________________________  _________________________________
Printed Name                                           Signature

Approval of Dean or Director:

_________________________________________  _________________________________
Printed Name                                           Signature
