Summary:
- The vacant position count will be at 6 after 7/7/2016.
- All 6 positions are state funded.
- Department managers are working on getting the paperwork ready for the AA/S position as well as the Analyst/Programmer (career or foundation) level positions. The Budget Support Accountant position will be posted next week. Mac Desktop Support Tech position is currently vacant and it is a failed search. The 2 Analyst/Programmer Expert level positions are still looking forward applications.
- The previous vacant positions at CCSV and ADS are both filled with IRES internal candidate. The transfer of staff positions created 2 different vacant positions in IRES. In addition to the transfer of positions, 1 staff resigned as of 7/7/2016.
