---

**Advising is required of J&PR majors every semester.** Mandatory advising is held the week before class registration opens.

J&PR majors must graduate with 72 units taken outside the School of Communication, with the exception of JOUR 130i, CMST 131, 132 and 334.

**Transfer units:** A maximum of 18 transfer units from a community college may be used for credit in the major in agreement with the Journalism Transfer Model Curriculum (equivalents to JOUR 101, 210, 244, 260, lower-division student media and lower-division photojournalism.)
Graduating in Four Years – PUBLIC RELATIONS OPTION

This schedule assumes students start their first year at Chico State.

If you are a transfer student, earning a bachelor’s degree within two years requires that you follow the Journalism Transfer Model Curriculum and transfer 18 units of journalism credit to Chico State (equivalents to intro mass com, intro reporting and newswriting, intro PR, intro photojournalism, student media work, and an elective course that covers visual communication, pop culture and media, gender and media, or multimedia reporting).

See your academic adviser for schedule planning and department chair for course substitutions.
