Dear APE Student,

Thank you for your interest in the Adapted Physical Education (APE) Summer Program at CSU, Chico. Students pursuing an APE Authorization or a Master's degree in Adapted Physical Activity may apply.

Applicants pursuing the APE Authorization must hold either a current credential that authorizes the teaching of physical education, such as a Single Subject credential in Physical Education or a Multiple Subjects credential, or a current Preliminary Education Specialist credential.

Enclosed you will find the following items:

2. Student Objectives and Responsibilities for the APE Summer Program.
3. APE Authorization Summer Program requirements.

Please submit the Application for the APE Summer Program with the appropriate documentation as soon as possible, no later than the deadline of **May 15, 2016**. Please contact me if you have questions or to determine specific course requirements at (530) 898-4298/6324.

Sincerely,

A. Josephine Blagrave
Program Director
Students in the summer program typically complete the program in 2-3 consecutive summers, depending on enrollment. Courses may not be offered if minimum enrollment is not met.

To apply for the APE Summer Program 2016, submit a complete application package as soon as possible.

**Checklist for a complete Summer 2016 application**

- Application for APE Summer Program 2016
- A typed letter of application (2 pages maximum) which addresses your career goals, including your experience working with individuals with disabilities.
- One official transcript of all college work
- Information for three references (Name, Job Title, Phone, Email Address)
- Two letters of recommendation, from two of the three references above

Deliver or mail complete application materials to:

Form A
Adapted Physical Education
Summer Program

Student Objectives

1. Complete a teaching authorization and/or master's degree in adapted physical education.

2. Participate in early field experience with the Chico State KIDS PLAY program, the BE:WEL program, and the Sensory and Motor Autism Clinic, in addition to other services which will further the availability of quality physical education programs for children with disabilities.

3. Develop the necessary skills to become an expert teacher of multicultural students with disabilities, with a particular focus on Autism.

4. Address the needs of children with disabilities, including early intervention, school-aged population, and transition programs.

5. Facilitate the development of successful and mutually beneficial partnerships with children's families to support effective service delivery.

Student Responsibilities

1. Notify Josie Blagrave, program director, of all changes in contact information.

2. Maintain satisfactory progress toward the credential or degree.
   GPA requirements:
   Masters – GPA 3.0 in each graduate course.
   Undergrads – GPA 3.0 overall in APE classes

3. Meet regularly with the APE advisor each summer term.

4. All students are expected to attend all classes, demonstrate model academic behavior, be independent thinkers and learners, and be punctual and professional in all interactions with parents, children, peers, and community programs.
Adapted Physical Education Authorization
