

PREFACE

IN placing the 1910-1911 Edition of the Chico-Oroville Directory to our patrons we feel confident that it will be found accurate in every particular; especial pains have been taken to bring every department up to the latest possible date. No expense has been spared to give Chico-Oroville and the other towns covered a Directory equal in every respect to those published in the largest cities of the country.

The experience of the past years devoted exclusively to Directory making has been used to excellent advantage in the compilation and publication of the Chico-Oroville Directories and it is confidently believed that this publication will elevate the standard of Directories in California, and it will be found the equal, if not the superior, of any similar publication in America.

Thanking our patrons for the liberal patronage bestowed upon this work, we remain

Respectfully,
R. L. POLK & CO.
