

California Statewide M.E.Ch.A. Constitution

Preamble

To further enhance the philosophical objectives of M.E.Ch.A., we the Chicana/ Chicano estudiantes of Califaztlán hereby establish this constitution. M.E.Ch.A. is committed to the empowerment of our gente and the liberation of Aztlán. As MEChistas we believe that self-determination can truly be sought through: cultura, historia, education, and political involvement. Through this our people will rise above oppression, sexism, homophobia, and racism.

Thus, as Chicanas and Chicanos we will dedicate ourselves to taking our educational destiny into our own hands through the process of spreading Chicanismo in the spirit of comradismo/ carnalismo and by recognizing that the destiny of the movimiento will be determined by each MEChista accepting responsibility for carrying the movement forward.

In the past, the structure of M.E.Ch.A. allowed any individual wanting to organize a chapter on any particular campus the opportunity to do so. This could occur without prior knowledge of the history and philosophical objectives of M.E.Ch.A. Thus, vast numbers of M.E.Ch.A. chapters were created with dissimilar and contradictory objectives, as well as conflicting philosophies.

The following structure will make every MEChista accountable to its Chapter, every Chapter accountable to its Central, every Central accountable to its Region, and every Region accountable to the State.
