

MESA ENGINEERING PROGRAM (MEP)

Graduate Profile

Name: Efrain Esparza

Major: Computer Science

Student Organizations: Latino's in Technical Careers

Graduation Year: 2005

Current Employer: Quin Street Inc

Job Title: Web Developer

Job Description: Program and publish various web sites and maintain them.

How did the MESA Engineering Program help you?

It gave me the opportunity to participate in activities such as MESA Day which helped me develop leadership and organizations skills. They provided support with classes and provided tools and tutoring for school.
