Association of Genocide Scholars Resolution

On June 13, 1997 the Association of Genocide Scholars unanimously approved the following Resolution:

That this assembly of the Association of Genocide Scholars in its international conference held in Montreal, June 11-13, 1997, reaffirms that the mass murder of Armenians in Turkey in 1915 is a case of genocide which conforms to the statutes of the United Nations Convention on the Prevention and Punishment of Genocide.

It further condemns the denial of the Armenian Genocide by the Turkish government and its official and unofficial agents and supporters.
