WHAT IS IT?

A network of Alumni, Current Students, Faculty, Staff, and Friends who are committed to providing on-going private support to preserve the Department’s dedication and commitment to excellence. California State University, Chico continues to face budget shortages. Thus, our ability to raise private donations is critical to maintaining the quality of education and training of our students. Funds may be used to support student scholarships and awards; graduate research; registration fees so students may attend professional meetings such as the California Dietetic Association Annual Meeting; small equipment purchases for our laboratory courses; additional resources for our classes and support for faculty professional development.

CIRCLE OF FRIENDS GOALS INCLUDE:

To reestablish Alumni relationships with the Department
To encourage Alumni pride and participation
To encourage involvement among community supporters
To facilitate networking among nutrition professionals
To celebrate NFSC contributions to the University and greater North State community

DONOR BENEFITS INCLUDE:

- Donation recognition in the annual NFSC Faculty Newsletter available on our website at: http://www.csuchico.edu/nfsc/alumni/index.shtml
