Assistant Professor
Department of Nutrition and Food Science
California State University, Chico

CSU, Chico is committed to enriching its educational environment and its culture through the diversity of its staff, faculty, students, and administrators. Persons with interest and experience in helping to set and achieve goals relative to diversity and inclusion are especially encouraged to apply.

The Position: The Department of Nutrition and Food Science is searching for a tenure-track position in Nutrition/Dietetics to start in August 2017. CSU, Chico is seeking faculty who are competent in their field, collaborative with colleagues and staff, and committed to student success. Position is contingent on funding.

Minimum Qualifications: The minimum education requirement for appointment to this position is a doctoral degree in Nutritional Epidemiology, Nutrition or related field. Candidates nearing completion of the doctorate may be considered, however, the doctorate must be complete prior to the beginning of the academic semester (August 2017).

Willingness/ability to perform research and scholarly activities; develop curriculum, teach undergraduate courses in a Commission on Accreditation Council for Education in Nutrition and Dietetics (ACEND) - accredited undergraduate program and other department programs, teach general education courses and participate in department as needed. Normal faculty duties include undergraduate and graduate advising and serving on campus committees, in addition to teaching duties; engage in research and seek external funding.

The successful candidate should also demonstrate a commitment to and/or experience promoting and fostering a learning environment that is supportive of individuals from diverse backgrounds

Preferred Qualifications: Registered Dietitian Nutritionist (RDN) or eligible to sit for the registration exam; teaching experience; and nutritional epidemiology as area of scholarly research.

Responsibilities: The tenure-track position carries responsibilities in the area of teaching undergraduate and graduate courses including developing a graduate course in nutritional epidemiology, scholarship, and service (student advising, other department needs). Teaching assignments are based upon the qualifications of the individual and needs of the department.

Salary: Salary commensurate with education and experience.

The Department: The Department of Nutrition and Food Science (http://www.csuchico.edu/nfsc) in the College of Natural Sciences (http://www.csuchico.edu/nsc/index.shtml) includes nine full-time faculty, about 30 graduate students, and 300 undergraduate majors and offers programs leading to a bachelor’s and master's degree. Its' faculty represent a wide range of interests. Department programs are enhanced by laboratories for courses and research in foods, food science, nutrition, and community nutrition. Campus support services, such as a library, distance education facilities, and technology learning and support, are easily accessible. The successful candidate will be provided with start-up research funds, and release time in the first year of appointment to help in the establishment of a research program.

Closing Date: Review of application will begin on October 14, 2016 and continue until the position is filled.

How to Apply: All applicants must apply online at: http://jobs.csuchico.edu/postings/3757. Complete online applications must include: a letter of interest, a statement of teaching philosophy, curriculum vitae or resume, representative reprints, complete set of transcripts. Three letters of recommendation are also required and MUST be submitted via email or US Mail to:
