To: Earth Month Recycling Participants

From: AS. Recycling Program

Hello Earth Month Recycling Contest Participants! The AS. Recycling Program would like to thank your organization for participating in this event for Earth Month '06. Here is an update and some tips to help your organization be successful. This is a list of the participants: Nu Alpha Kappa Fraternity, KCSC, Pan African Union, Health Professionals Association, Ceres Plant Science, National Student Speech Language and Hearing Association, EARC, Muslim Student Association of Chico State, Delta Xi Phi, Golden Key, Student California Teacher's Association, Gamma Zeta Alpha, Epsilon Sigma Rho, ASME, Finance Association, and A.G.E.S. The competition is mounting!

A group poster will be displayed in the glass window located outside the AS. Recycling office, BMU 005. This poster will help participants keep track of their progress. Each Monday of the contest, the poster will be updated with each group's total in order to let you know where your group stands. Make sure to **remind the members of your organization at every meeting** to save those recyclables for the contest and to take them to Fair Street Recycling.

As you know, all recyclables are to be dropped off at **Fair Street Recycling (Work Training Center), 2300 Fair Street**. Their hours of operation are: Monday through Friday 8:30 am – 4:00 pm and Saturday 8:30 am – 3:30 pm. This year the following recyclable materials will qualify for the contest: **aluminum cans, glass, and plastic, and newspaper**. If you have questions about other materials, contact the AS. Recycling Office for more information.

How to get there: head south on BROADWAY ST / CA-99 BR S. Continue to follow CA-99 BR S. Turn LEFT onto E 20TH ST and RIGHT onto FAIR ST.

When you arrive, tell the staff that you are participating in the recycling contest and the name of your group. They will take care of the rest and give you a copy of the receipt. Please keep all your receipts just in case of a miscalculation.

Once again, the contest will run **from Monday, March 20th through Friday, April 21st, 4 PM**. Good luck! If you have any further questions, please feel free to call Karla at 898-5033

Start Recycling Today and Make it a Habit for Tomorrow!
