

Jump start your move back to Nursing!

Are you a registered nurse who's been out of nursing for awhile and want to get back into the workforce?

Do you want to increase your nursing skills and confidence?

What does it take to qualify?

1. You need a computer with a high speed internet connection
2. You must have an active RN license

What does it Cost?

You can get started for as little as \$600.00*.

*An optional clinical practicum is available for students who want to add a preceptored clinical experience for an additional fee.

California State University, Chico
has an Education solution that's just right for you...

A Registered Nurse Refresher Course!

Don't Wait! The January 2010 Class is enrolling NOW!

Through web-based education and state-of-the-art computerized patient mannequins, we can help you develop the skills and confidence to join the nursing workforce! The course is designed to be flexible, with most learning taking place online. The course has additional hands-on skill sessions in our Simulation Center to give you the confidence you need to jumpstart your nursing career.

You'll work online with a skilled RN, attend a 3-day skills intensive in our Simulation Center where you'll get up-to-date with new medications, technologies and equipment. Practice skills until you feel proficient using our hi-tech computerized patients!
