

ATTENTION!

POTENTIAL NEW STUDENTS TO THE RN-BSN PROGRAM

Due to budget cuts to the CSU system-wide (including enrollment cuts), applications to the university for Fall 2010 will end November 30, 2009. In order to be considered for Fall admission to the RN-BSN Program, you must have applied to the university by this deadline.

Even if you haven't attended an advising session yet, but are fairly certain you want to enroll in the program for Fall 2010, you must meet the November application deadline. Exceptions to this deadline that have been given in the past will not be given this year.

You will be able to apply to the RN-BSN Program at the advising session, but there is a separate application to applying to the university.

For questions, contact the RN Advisor, Jenny Lillibridge, jlillibridge@csuchico.edu
