

Simulation Specialty Course Menu 2010

Choose What You Need From Our Simulation Menu

June 7-10, 2010

9am to 4pm

Four Courses on the Menu! Attend Only One or All Four!

This course is designed for educators who want to add meat to their simulation courses! Plan to “Order Up” for Simulation Success!

Debriefing

Outrageous Tricks &
Amazing Tools to Create
Simulation Reality

Moulage Magic™

Scenario Design

**Technology Tips and
Programming Pearls**

Rural Northern California Clinical Simulation Center

“Increasing Patient Safety Through Improved Clinical Proficiency and Teamwork”

Provider approved by the California Board of Registered Nursing
Provider #15338. Each course is approved for 6 Contact hours.
It is possible to receive 24 contact hours by attending all 4 courses.

Goals: This smorgasbord of courses will allow the simulation educator to fine tune special areas of simulation design. Each course stands alone so the participant can attend only those courses where they would like additional instruction. All four courses complement but don't repeat information in the two simulation educator courses offered at the Rural SimCenter.

June 7 Debrief Course Participants will:

1. Discover ways to use debriefing to link simulation events with real world experiences.
2. Review the use of debriefing tools such as checklists and competency scales.
3. Understand the benefits of debriefing with video.
4. Practice debriefing using tools and techniques discussed.
5. Understand and practice techniques for success with the "difficult debrief".

June 8 Scenario Design Course Participants will:

1. View a demonstration of scenario design tools and techniques.
2. Discusses the design process in the creation of scenarios.
3. Evaluate the impact of scenario design on satisfaction and mastery of course objectives.
4. Work in small groups to create scenarios using tools provided.
5. Use scenario validation tools and understand the rationale for scenario validation.

June 9 Moulage Magic Course Participants will:

1. Discuss the value of using realistic moulage in scenario design
2. Practice creating moulage using recipes and methods provided.
3. Discuss the importance of moulage in enhancing the role-play experience.
4. Review tips for using moulage with human patient simulators: protect and defend.
5. Recognize new moulage materials and possibilities to simulate medical conditions.

June 10 Technology Tips and Programming Pearls Participants will:

1. Identifies mannequin Graphic User Interface system components common with all manufacturer's mannequins.**
2. Demonstrates the simple activities necessary to assure success with simulation technology.
3. Demonstrate more complex activities to utilize instructor workstations, mannequin software and remote control and wireless features of the mannequins.
4. Identifies the location of the Event, Pharmacology and Physiological Logs. Including saving/printing functions of the software.

**** Please specify your mannequin type on your registration form.**

Course Hours: 9 a.m. until 4:00 p.m. Course Attire: Casual

Each Course is limited to 10 participants to assure each participant can have an excellent experience. Classes fill up quickly so plan to register early!

REGISTER BY MAIL	REGISTER ONLINE
<p>Please Make Checks payable to: <i>CSU Research Foundation</i></p> <p>Send Registration & check to:</p> <p>School of Nursing Holt Hall Room 369 ATTN: Simulation Spa 2010 California State University, Chico Chico, CA 95929-0200</p>	<p>You can register online using your credit card</p> <p>Please go to: http://www.csuchico.edu/nurs/SimCenter/index.html and click on the education link for registration instructions.</p>

Lodging: There are several motels in the Chico area including Holiday Inn, Best Western and Marriott and others. The Holiday Inn and Best Western Hotel are located within walking distance of the Simulation Center:

Food: A complementary continental breakfast will be available each day of the conference. We are located at 560 Cohasset Road, Chico, CA. Enter in the main entrance of the Enloe Hospital Cohasset Campus building. Follow the RED signs to the Rural Simulation Center.

***Cancellation Policy:** A full refund—less a \$25.00 processing fee—will be issued if the cancellation is received 2 weeks prior to the course start date. Because participation is very limited, NO REFUNDS will be issued for courses cancelled less than 2 weeks prior to the course start date. We reserve the right to cancel any course for lack of registration or unforeseen events. In such cases a full refund will be issued.

DIRECTIONS: From Highway 99 take exit 387A turn west onto Cohasset Road. Turn right at the stoplight onto Cohasset Road. Take the first Right onto Rio Lindo Avenue. Turn left immediately into the Enloe Cohasset Building Parking Lot. Go in the main entrance that faces Rio Lindo Avenue and follow the RED signs to the Rural SimCenter.
