Hi Students,

I hope you are all looking forward to starting the RN to BSN Program this June. I am eager to see you all at orientation. I have been getting a few questions lately and realize an update might be in order.

1. Call the Regional and Continuing Education (RCE) Department for assistance in registering for your classes: 530-898-6105. They administer our program and registration for classes is handled by them. The web address for RCE's RN to BSN section is: [http://rce.csuchico.edu/rn-bsn](http://rce.csuchico.edu/rn-bsn). If you scroll down towards the bottom, you will see information about enrolling in your courses and links to financial aid, etc. You should have received an email from Dana Massetti with that information.

2. The mandatory orientation for the program will be held on Wednesday, June 1st in Tehama Hall Rm. 131. Orientation will start at 0900 and last all day; probably ending at 4:30 or 5PM.

3. Information about orientation will be posted on the Chico State School of Nursing webpage when the schedule has been finalized. Please bookmark this page in your computer. It is your "go to" place for current information about the program. The web address is: [http://www.csuchico.edu/nurs/](http://www.csuchico.edu/nurs/) Look in the RN to BSN column under the heading of "Enrolled Students"; in the "Memos and Notices" section. Remember to look at 2016 Cohort information. There will also be information posted for the 2015 Cohort which is finishing the program this summer.

4. For those of you who need to take the Upper Division GE classes (those without a previous bachelor's degree) information about the RELS 332 World Religion and Global Issues class will be coming in mid May to give you a head start on this fast-paced class.

5. On campus orientation dates for your cohort include:
   - Wednesday, June 1, 2016 - Tehama 131
   - Friday, August 19, 2016, Holt 363
   - Friday, January 20, 2017, Holt 363
   - Thursday, June 1, 2017, Holt 363

Please let me know if you have other questions./Jan

Janet Ellis, RN, MSN, FACHE ®
