Feel like you need more NCLEX Questions???

Are you using all your current resources??

Are you using the NCLEX questions at the end of your textbook chapters?

Do you have a phone app with questions?

Type "nursing student" into your phones market and see what is available for you!

Do you have group presentations?

I bet if you put 5 NCLEX questions at the end of your presentations your classmates would love you even more!!

- Answer NCLEX questions instead of texting and Facebooking during class. We all know you do it!

Are you using the NCLEX questions in your ATI/Kaplan chapters and online resources?
