School of Nursing  
Course Information – Semester 5  
Fall 2017

Fall Classes begin August 21, 2017

Clinical Requirements. All clinical requirements—CPR, health and auto insurance, immunizations and TB screening are due to CastleBranch by August 7, 2017. If CPR expires soon, schedule renewal now and make sure you take the correct course. The CPR card needs to read “Healthcare Professional or Healthcare Provider” and is good for 2 years.

Please Note: If clinical requirements are not updated by August 7, 2017, students WILL BE disenrolled from clinical courses, which could affect financial aid eligibility and clinical placement. You will also need to have your ATU HIPAA test completed by Monday, August 21, 2017.

Register for the following courses: N422, N424, N474, and N475. (See Class Schedule on the web.) All courses are described below. Course syllabi and supplements will be available in Blackboard Learn. Please print out all syllabi and supplements prior to class orientations.

N422: (Registration #4918). Class will meet on Tuesdays, 8-10:50 a.m. (Room TBA). Orientation will be on the first day of class. This course fulfills the writing intensive requirement for the major. Please check Blackboard for further information about the course.

Textbooks: Textbooks may be used but please note that the strength finder assessment will need to be purchased independently [est. $15] if a used Rath (2007) book is purchased.

N424: This is a preceptor course so it has no established day. You will need to schedule your clinical time around theory courses, public health clinical days and your preceptor’s schedule. Clinical time will start week 4 of the semester. Mandatory Orientation for the course will be on Monday, September 11 from 1-3:00, place TBA. Hospital orientations vary according to sections. So please be flexible with your time during weeks 3-4 to accommodate the mandatory hospital orientations.

N424—section 1—Registration #4921 – Hospital TBA, Instructor:TBA
N424—section 2—Registration #4922 – Oroville Hospital, Instructor: Ottem
N424—section 3—Registration #4923 – Enloe Medical Center, Instructor: Salopek
N424—section 4—Registration #4924 – Redding (Shasta), Instructor: Kelly

Textbooks: No additional textbooks. You will use N422 textbook and references (drug/lab books from other semesters).
**N474**: Your clinical day will be either Wednesday or Thursday for the entire semester. Plan on being available 8 a.m. to 5 p.m. on your clinical days. Regardless of the day your N474 is scheduled, keep Wednesdays and Thursdays available for the first three weeks, to be available for agency orientations and simulation activities. Additional simulation activities will be scheduled later in the semester. You will also engage in a community project, time to be determined based upon the individual project. In addition, you will engage in seminar sessions, dates and times to be determined by instructor.

Textbooks: No additional textbooks. You will use the N475 textbook and references.
