Disenrollment may affect your financial aid eligibility.
- Schedule CPR renewal now! CPR Recerts must be completed by August 17, 2009. CPR is good only for one year, regardless of what your cards says. You may not attend clinical if your CPR card has not been renewed within the past year! This is absolute. Do not go past the expiration date on the form we hand you or you will be removed from clinical. Clinical includes all orientation days as well as skills lab days. Please note that the CPR card needs to state "Healthcare Professional or Healthcare Provider". If you have not taken the correct CPR course, you will be required to repeat the correct course and not be allowed in clinical.
