

REGISTRATION INSTRUCTIONS FOR SEMESTER III – FALL 2009

Be sure to use your CSU Chico Portal to get updated communications on all your classes. Go to the campus home page and click on the Portal icon in the lower right corner. The Pharmacology class (NURSING 305) will be taught online via VISTA. Faculty will also use VISTA to communicate with students regarding other nursing classes. If you are not familiar with the VISTA format, be sure to familiarize yourself with it prior to the start of semester III.

There will be an on-campus orientation on Wednesday, August 26th @ 1 pm.
There will be an on-campus final exam, during finals week.

Reminders of Nursing requirements:

Intro. Sociology or Cultural Anthropology must be taken prior to Sem. IV. Transcripts of courses taken must be submitted to the School of Nursing Office to be included in your file.

"Clinical Requirement Update" forms will be distributed to you before the end of the semester.

- All updates (with verification attached to the update form) must be complete and handed in to the Nursing Office by August 17, 2009. If this form is not submitted on time, you will be disenrolled from Nursing 304 and will have to add this course once the required paperwork is in, taking any section that remains available. Disenrollment may affect your financial aid eligibility.
- Schedule CPR renewal now! CPR Recerts must be completed by August 17, 2009. CPR is good only for one year, regardless of what your card says. You may not attend clinical if your CPR card has not been renewed within the past year! This is absolute. Do not go past the expiration date on the form we hand you or you will be removed from clinical. Clinical includes all orientation days as well as skills lab days. Please note that the CPR card needs to state "Healthcare Professional or Healthcare Provider". If you have not taken the correct CPR course, you will be required to repeat the correct course and not be allowed in clinical.
- Purchase your course supplement on Monday, August 24, 2009 at 10:30 AM in Holt 371.
- Classes for Semester III will begin promptly at 11 a.m., August 24th, 2009 in Holt 277. You should have your course supplement by that time. Faculty will post a lecture outline and reading assignments prior to your first class. Be sure to check your N303 course email (VISTA) and come to class prepared for lecture.
