Dual Advising System: CSU, Chico utilizes a dual advising system to help you graduate on time. Undergraduate students are provided support through the Academic Advising Programs office as well as a major department advisor. While Academic Advisors help answer questions regarding GE, campus policies and procedures, and general university questions, your major department advisor can help with questions regarding major coursework, internships, and course substitutions.

MAP: Please review the Major Academic Plan (MAP) created to guide you toward completing all the requirements of your degree in four years:
