aspride@csuchico.edu

We are Chico State's social, political, and educational student organization for Lesbian, Gay, Bisexual, Transgender, Queer, & Questioning students, and their straight allies.

Safe Zone decals are posted around campus and designate open and supportive atmospheres where LGBTQ students can go for resources and support.

This semester we've teamed up with the Stonewall Alliance Center's youth program to bring you more resources, programs, and meetings, as well as a steady meeting location

**Meets Every Wednesday, 7pm
at Stonewall Alliance Center**
