Notification of Admission:

- A. You will be contacted by e-mail regarding the status of your application. If accepted, the department may recommend that you be admitted as either a "conditionally classified" master's degree student (you have yet to complete some of the undergraduate prerequisites) or as a "classified" master's degree student (you have met all of the prerequisites).

- B. If accepted, you are required to return the Notification of Acceptance form, sent to you with the acceptance letter from the department, indicating whether you intend to matriculate by the fall semester. Failure to do so will result in the loss of your position in the program; however, you may reapply the following year, if you choose.

- C. Students who enter the MS degree program with the intent of pursuing a Marriage and Family Therapy License must contact the California Board of Behavioral Science Examiners and apply for trainee status within 90 days of beginning a traineeship (which occur during your first year at CSUC). Once you are accepted into the MS degree program, you are advised to contact the Board for information regarding licensure and follow their recommended procedures to receive your trainee status. The MS degree program provides an integrated course of study that meets the educational requirements for the MFT license by the State of California (Section 4980.37 of Assembly Bill No.3657).
