Housing Questionnaire

Name ____________________________________________________________

Although use an RCNP housing stay is optional, we ask that you fill out this questionnaire and accompanying Introductory Letter in the event that we are not able to secure a placement for you in your preferred site. If you know that you would not want to participate if we cannot find a placement in your preferred area, please indicate so:

If the housing provider is single, will you accept housing with: Male Female Either

Do you smoke? Yes No

Please describe any health needs (including animal allergies) which may require special housing or environmental considerations:

Is there any other information or preferences you would like to share with us that would be helpful in locating appropriate housing for you?

On a separate page, type a Letter of Introduction to your future housing provider. Use the following guidelines to compose your letter:

- Begin your letter with Dear Housing Provider:

- Describe yourself in terms of your hobbies and interests.

- Refer to past rural or urban living experiences, family size, etc.

- Relay your career goals.

- Provide your name and signature in closing.
