Grant Search by the Grants Resource Center (GRC) - http://www.aascu.org/grc/

- For first-time log-in, contact your RESP Development Specialist for username & password (see below).
- At the link above, click “GrantSearch” under the organization heading (dark blue banner).
- Select an Academic Category.
- Select and add/remove terms in the “Select Academic Subjects” box, using the “Add” and “Remove” buttons.
- Select other criteria as needed. Click “Start Search.”
- At the bottom right, click “Reset Form” to remove all checks.
- To preview an opportunity, click on the program title.
- Click “Back” to return to the results list.
- Check the box to the left of each opportunity that you would like to choose.
- To view all of your choices, go to the top right of the page and click “View Selected.”
- To print report click the “print” button on the top right.

For assistance with funding searches and proposal development, contact your RESP Development Specialist:
