Plagiarism in general (from Cynthia Siemsen):

All written work is to be individually produced.

- When there is evidence that a student has committed plagiarism, copied the work of others, allowed others to copy their work, cheated on an exam, altered class material or scores, or has inappropriate possession of exams, or sensitive material, the incident will be investigated by *Student Judicial Affairs*. The consequences for academic dishonesty are severe.
- Plagiarism is the use of the written work of others (either direct copies or close paraphrases) as one's own original work. If quotations and/or passages from other works are used in papers, they must be accorded the proper citation in order to avoid any misunderstandings about plagiarism.
