Faculty Recommendation for Tutors

Dear Faculty Member:

The Student Learning Center offers all students tutorial assistance in a variety of subjects. To provide effective service, we are continually seeking qualified tutors. However, before considering a student as a tutor, we require at least a "B" grade or better in the subject they will tutor and a faculty member's evaluation of the student's qualifications. Please include as much information about this student as you consider necessary. Final consideration will be based upon the student's written application, transcripts, interview and faculty's recommendation. We greatly appreciate your help in evaluating this prospective tutor. Thank you.
