To Whom It May Concern:

Re: 800 Level Courses taken at
California State University, Chico

Any 800-level course is designated as part of a Professional Advancement program and does not apply towards a degree unless approved by the appropriate department. Credit earned is reflected in the units **attempted** field on the transcript rather than the units **earned** field or term and cumulative totals because only units toward degree programs are reflected in these totals.

Any student satisfactorily completing an 800-level course will receive a grade of CR on the transcript which indicates successful completion of the units for the course.

If further information is required, please contact the CSU, Chico Office of the Registrar at (530) 898-5142.

Sincerely,

California State University, Chico
