ELECTING COURSES FOR THE CREDIT/NO CREDIT (CR/NC) GRADING OPTION

To request an elective class for the CR/NC option, you must read the instructions, fill out the information below, obtain the appropriate signatures and turn the completed form into the Office of the Registrar prior to the last day of the semester. A separate form must be filed for each class you want to take CR/NC. The following conditions apply to any course processed under this policy:

- 1. The course must be an elective (that is, the course cannot be used for your major, minor, or General Education requirements).
- 2. If a course processed under the CR/NC policy is determined to be necessary for your major, minor or General Education requirements, contact the Office of the Registrar.
- 3. You must be enrolled in the course for which the CR/NC option is being requested prior to the submission of this form. If this form is found to have been submitted prior to enrollment in the course, it will be returned to you without being processed.
- 4. Graduate students are allowed 10 units of CR/NC in a master's program; however, there are restrictions placed on the courses for which this grading option may be elected. Please contact the Office of Graduate Studies for more information. There is no restriction on the number of CR/NC courses taken by post-baccalaureate students who are not master's or bachelor's candidates.
