2017
University’s Needy Children Program

The University’s Needy Children Program Committee is preparing, once again, to make a magical time for some children that are in need of our help. These Butte County families are not supported by any other charitable organization within Butte County. For this reason, your holiday donations will make a big difference in a child’s life.

The Butte County Division of Children’s Services has again made an effort, during this time of year, to select families that are truly in need. The entire University is invited to participate. We encourage departments, schools, colleges, offices, or individuals to join together during this time to support as many children as possible.

This University event is sponsored and coordinated through Staff Council and its Service Projects Committee.

Questions may be directed to Cindy Kelly at 898-3557 or by email to clkelly@csuchico.edu

We thank you for your support!
