### Don't see your major listed above? Don't panic!

Universities listed as **"Full Curriculum Studies"** allow student to enroll directly in the host university (most majors are available in multiple locations).

**GE Pathway** students may earn up to **18 units** abroad toward their GE Pathway, including 2 or even all 3 upper division pathway (Humanities, Social Science & Natural Science) requirements.

**Communications & Journalism** majors should work toward their required minor abroad. Choose a minor offered where you want to go!

**Construction Management** majors are encouraged to take their upper division GE Pathway requirements or elective business courses abroad.

**International Relations** majors should definitely study abroad and can fulfill language requirements or take entire "Non IR Electives" (9 units) abroad in *many* locations.

**Liberal Studies** majors can take entire area of concentration abroad (12 units) on any program they choose.

**Child Development** majors can take entire depth core abroad (9 units) on any program they choose. Minors will need to see their academic advisor for substitutions.

**Language** majors and minors are offered in many locations around the world, and fluency is an added bonus! Definitely worth considering.

**Pre-Nursing** majors are encouraged to declare a foreign language minor or work on their GE Pathway requirements abroad before acceptance into the Nursing Program.
