SEMINAR SERIES

IN PARTNERSHIP WITH THE INSTITUTE FOR SUSTAINABLE DEVELOPMENT PRESENTS

ROLAND BUNCH
AUTHOR, REGENERATIVE AGRICULTURE CONSULTANT
"REGENERATIVE AGRICULTURE, IT'S CRUCIAL ROLE IN THE SOLUTION TO AFRICA'S CURRENT FAMINE"

Roland Bunch has done consultancies in regenerative agriculture in 49 nations of Latin America, Asia and Africa. His recent work in Africa - where he has spent the last six years - has focused on the critical role of regenerative agriculture in mitigating famine, a major world crisis that is currently affecting 20 million people.

Roland's book, Two Ears of Corn, A Guide to People-Centered Agricultural Improvement, has been published in ten languages and is one of the two or three all-time best-sellers on agricultural development programs in developing nations.
