

California State University, Chico - School of Social Work
MSW Student Self-Assessment of Practicum Performance

Student: _____ Date: _____
Placement Site: _____

Instructions: This is an evaluation narrative completed by the student summarizing their practicum learning experiences and progress toward attaining their learning goals and objectives. The strength of the evaluation directly reflects the time and consideration the student contributes to this process. Students are encouraged to address each area of this form, writing a brief statement and providing concrete examples whenever possible. Once completed, it is distributed to the Agency Field Instructor, and Faculty Field Liaison for their review in the week prior to the End-Of-Semester Site Visit. The Faculty Field Liaison ensures that a signed original is placed in the student's permanent file in the CSU, Chico, School of Social Work Office.

1. Provide an overview of your practicum learning experiences and a narrative describing the learning gains you made this semester. Include in your response a detailed list of activities, clients served or other outcomes summarizing your direct and indirect practice experience.
2. List the Learning Contract objectives, describing your progress toward meeting each.
3. Identify any barriers or challenges you faced in striving toward your goals and objectives.
4. Describe the knowledge, skills and values you learned in your practicum, providing examples illustrating the progress you made in your development as a social worker.
5. Discuss 3 - 5 learning goals you plan to address in your next field placement. (Applicable only to Foundation Year MSW students.)
6. Comment on the nature and quality of your interactions with your Agency Field Instructor, agency staff, as well as your collaboration with other agencies and community members.
7. From your supervision experience this semester, discuss 3-5 insights you've gained regarding your strengths and areas for growth as a social worker.
8. Include the steps you plan to take to address these areas in the near future (next term, next year or following graduation).
9. Additional comments: _____
