Opportunity for Outreach Experience!

Have’t completed your 60 hours of service learning yet?

CalFresh Outreach Includes:

- Talking with clients about how to access public assistance programs and resources such as CalFresh
- Talking with clients about eligibility requirements
- Prescreening them to see if they meet basic eligibility requirements
- Helping them fill out the application
- Preparing them for the interview with the county eligibility worker

57% of Butte County residents eligible for CalFresh are not participating, which means our area is losing more than $2.6 million of federal funding every month
