

Wimba Tutorial – Guest Access Link

Introduction

Live Classroom presenters can invite guests that aren't enrolled in the university classroom to come to a session. This tutorial will show invited guests how to use the guest link in order to enter the classroom.

Guest Link

1. Typically guests will be sent the link in an email to enter the classroom. Click on the link.
2. Click **Participant Login**.

3. If Wimba classroom has not previously run on the machine run the set up wizard. Click **Run Wizard** and follow the wizard's instructions. After the wizard is through enter the room as a participant.

4. If prompted, enter your name in the space provided.
