Synchronous Distance Learning

- Wimba Classroom is the main tool for synchronous distance learning supported by CSU Chico.

Classroom Locations

- This software is generally used by faculty who are teaching from an origination room on campus to students at a distance.

Origination Rooms

- It is common for these instructors to not only have a distance audience, but also face-to-face students.

CSU Chico TLP

Class Procedure

- During class, distance students are able to hear the instructor lecture, view notes and other visuals, and see the instructor as they teach.

CSU Chico TLP

In-Class Assistant

- An in-class assistant is assigned to every class to help online students and ensure that instructor needs are being met.

CSU Chico TLP

Archiving

- Additionally, every class session is archived and available for students to view on an as-needed basis.

The screenshot displays a Wimba Classroom interface. The main video player shows a slide titled "Going over the Syllabus" with a bullet point: "Where and when to call the teacher". Below the slide is a cartoon illustration of a person on a small island with a palm tree and a speech bubble saying "Help!". The video player controls show a progress bar at 04:24 / 54:53. To the right of the video player is an "Archive Navigation" panel with a list of time markers and content segments, including "Archive Start", "Time Marker +02:00", "Going over the Syllabus", "Berk", and "PowerPoint Presentation". Below the video player is a chat window with a "People (1)" list containing "Demo_Student". The chat messages include: "Jessica_Ocock says 'I cant see it'", "kshay__dit_Thussu says 'Audio and visual check?'" and "kshay__dit_Thussu says 'Wonderful..'", "Main Room", and "Done". The CSU Chico Distance Ed logo is visible in the bottom right corner of the interface.

Blackboard (WebCT) Vista Integration

- Wimba tools are PowerLinked into LMS.
- Live Classroom appears as part of the Vista course.
- Archives appear as part of the course.

The screenshot displays the Blackboard (WebCT) Vista interface. At the top left is the Chico State logo with the tagline "Today Decides Tomorrow". The top right corner contains links for "Accessibility" and "Help". Below the logo is a navigation bar with tabs for "Build", "Teach", and "Student View", and a "Group - CDOE Community" label. A "Course Tools" sidebar on the left lists: Course Content, Announcements, Discussions, Roster, Web Links, and Who's Online. The main content area shows the breadcrumb "Your location: Home Page > Wimba Tools" and a heading "Demo Class Wimba Tools". Three icons, each representing a computer with a green download arrow, are labeled "Live Lectures", "Archives", and "Voice Discussion". At the bottom, contact information is provided: "Contact: Ann Steckel | 898.6780 | asteckel@csuchico.edu | TLP Lab: 898.6167".

Blackboard Vista Integration

- Faculty enter the classroom and upload content from the Vista file manager by using the PowerLink.

The screenshot shows the Blackboard Vista interface for a Wimba Classroom. At the top, a breadcrumb trail indicates the location: Home Page > Announcements > 088X-PSYC355-70. Below this, the course name 'Wimba Classrooms > 088X_PSYC355_70' is displayed. The main header includes the 'Wimba Classroom' logo and navigation links: 'Add to Calendar', 'Add & Manage Content', 'Edit Settings', and 'View Records'. Two buttons, 'Enter this Room' and 'Close this Room', are visible on the left, and a 'Wimba Classroom Help' button is on the right. The main content area features a status indicator '088X_PSYC355_70 (Open)' and a 'Setup Wizard' section with instructions to run the wizard. Below this, 'Phone Access' information is provided, including dial-in numbers and pin codes for instructors and students. At the bottom, a table lists recorded archives for the room.

Blackboard Vista Integration

- The faculty PowerLinked view of Wimba Classroom is the same as the stand alone.
- Frequently faculty app share Vista while in Wimba Classroom to:
 - Demonstrate or show “how to” use software
 - Show discussions
 - Access student work as examples
 - Review information
 - Illustrate key points

Blackboard Vista Integration

- Students are authenticated at the portal, and through Vista seamlessly enter their classroom or watch archives.

The screenshot shows the Blackboard Vista interface for a Wimba Classroom. At the top, a blue navigation bar indicates the user's location: [Home Page](#) > **088X-PSYC355-70**. Below this, a breadcrumb trail shows [Wimba Classrooms](#) > 088X_PSYC355_70. The main content area is titled "Wimba Classroom" and includes an "Enter this Room" button and a "Wimba Classroom Help" link. A central panel displays the room name "088X_PSYC355_70 (Open)" and provides phone access information: "Phone: (201) 549-7592" and "Student: 39500835". To the right of this panel is a "Setup Wizard" section with a question mark icon and text: "Run the [setup wizard](#) to make sure that your computer is ready to use the Wimba Classroom." Below the main panel, a heading reads "Here is the list of the recorded archives for this room:". A table lists the recorded archives with columns for "Title", "Type", and "Enter".
