Faculty Symposium

Distance Learning: Vista & Horizon Wimba Pilot Presentation & More

Presenters:

TLP, CDOE faculty, and Horizon Wimba

Who should attend: Distance Education faculty using Horizon Wimba, who want to see what the new enterprise version of Vista looks like, and faculty new to online teaching

Where and When: Studio A, basement of Meriam Library, from 11 a.m. to 2 p.m.

What will be covered:

- Vista/HW PowerLink: set new user expectations, show what it looks like and how it works inside Vista.
- Vista/HW Training for Distance Instructors — possible training dates for groups.
- How to Prepare — course migration and prep areas in Vista.
- How to add voice tools for distance or face-to-face classes.
