Faculty Symposium

Vista Showcase: New Tools and Best Practices

Presenters:

TLP and faculty

Who should attend: Faculty using WebCT who want to see what's new with Vista and how to use it to engage students.

Where and When: Studio A, basement of Meriam Library, from 1 to 3 p.m.

What will be covered:

- Advanced new tools will be demonstrated.
- A pilot group of faculty are using Vista and Horizon Wimba this semester. We will demonstrate new voice tools in Vista.
- Best practices of discussion tools: Journal, Blog, and Grading Form will be introduced.
