Technology in Learning and Teaching

presents

Faculty Symposium

Faculty Vista User Community & Wiki

Presenters:
TLP and faculty

Who should attend: Faculty using Vista, who want to communicate and collaborate around our learning management system.

Where and When: Studio A, basement of Meriam Library, from 1 to 2:30 p.m.

Why a Wiki and Community:

- Vista community will be demonstrated for structure and usage, and discussion will ensue on how best to use it.
- Wiki will be introduced and navigation shown including how to use it, followed by a question and answer session.
- Best Practices — how to search the Wiki knowledge-base and become a contributor.

Registration is required!
