

# CALIFORNIA CAMPUS SAFETY PLAN

CALIFORNIA STATE UNIVERSITY, CHICO

2018

## AVAILABILITY AND LOCATION OF SECURITY PERSONNEL

The CSU, Chico Police Department has primary law enforcement jurisdiction for all criminal incidents occurring on-campus. This includes incident investigation, follow-up, and resolution. CSU, Chico Police Department works in conjunction with outside agencies, such as the Butte County Sheriff's Office, the City of Chico Police Department, and local fire and emergency medical services.

CSU, Chico Police Department (UPD) is located on the corner of W. 2<sup>nd</sup> St. and Chestnut St. and reports can be made in the lobby 24 hours per day, 7 days per week. There are a number of ways to contact UPD if you are not able to come in. Directions for contact are below.

## EMERGENCIES ON-CAMPUS

The on-campus emergency telephone number is **9-1-1**. Use this number for reporting on-campus fires, criminal or suspicious activity, and medical or other emergencies. This number goes directly to the CSU, Chico Police Department if dialed from a campus phone. Dispatchers are trained to respond appropriately to emergencies of any nature.

## ON-CAMPUS NON-EMERGENCIES

The non-emergency telephone number to contact the CSU, Chico Police Department is (530) 898-5555. This number should be utilized to obtain non-emergency, on-campus police services.

**Blue Light Phones:** There are over 60 blue light emergency telephones located throughout the campus and student housing which connect directly to the CSU, Chico Police Department. These auto-dialing phones may be used to summon emergency police, fire, or medical assistance or report criminal or suspicious activity. The phones are equipped with a "Caller ID" feature which allows the dispatcher to know the location of the blue light emergency phone activated by the call.

## *SPECIAL SAFEGUARDS FOR FACILITIES OR ACTIVITIES*

CSU, Chico employs a number of safeguards for facilities. There are barrier arms and/or bollards at vehicle access points to limit vehicles on campus. Vehicles that are allowed on campus are only allowed to do so at prescribed times and only with approval from UPD. Many campus doors are controlled by Card Access, ensuring that only students, staff, and faculty with campus business to conduct have access to those rooms. Facilities, Management, and Services (FMS) is responsible for granting appropriate access to individual cards and for the hardware of panels and readers. CSU, Chico also has an on-campus key shop that monitors and controls who has keys for doors that are not controlled by Card Access. University Housing handles their own Card Access, using the same system as FMS.

UPD is responsible for patrol and security measures for on-campus activities. Officers are proactive with patrolling efforts and depending on the size of the event, such as commencement, UPD may request assistance from allied law enforcement agencies for extra patrol, Kg units, etc.

## PAST AND FUTURE SAFETY PROGRAMS

CSU, Chico practices a variety of safety programs designed to keep students, staff, faculty, and visitors safe. While no single crime prevention measure can guarantee safety, a diverse strategy of awareness and education can greatly reduce one's chances of becoming a victim of crime. Below are some programs that can help.

### R.A.D.

The CSU, Chico Police Department takes pride in its crime prevention programs, including Rape Aggression Defense (R.A.D.). R.A.D. is a system of self-defense designed specifically for women. It combines risk-reduction strategies with basic physical defense techniques, making it one of the most comprehensive courses of its kind. The course is taught by certified instructors and is the only women's self-defense program ever to be endorsed by the International Association of Campus Law Enforcement Administrators (IACLEA). The course concludes with realistic scenarios performed in a safe environment by trained police department staff. More information about R.A.D can be found at [http://www.csuchico.edu/up/safety\\_programs/rad.shtml](http://www.csuchico.edu/up/safety_programs/rad.shtml).

### CAMPUS CONNECTION

Campus Connection is the campus safety shuttle. It runs during the fall and spring academic semesters, 7 days a week, from 6:00 p.m. to midnight. The shuttle drivers, who are trained police department student-level Community Service Officers (CSOs), follow a predesignated route consisting of 15 stops throughout the main campus, campus parking lots, and off-campus University-owned apartments. Each Campus Connection stop is located near a University blue light phone, providing riders emergency access to the CSU, Chico Police Department while they are waiting for the shuttle.

### NEW STUDENT ONBOARDING

During summer orientation, new students are provided information regarding laws and CSU policies prohibiting sex discrimination and harassment (including sexual misconduct, domestic or dating violence, and stalking), affirmative consent, confidential reporting, on- and off-campus resources, and how to report incidents of sex discrimination or harassment, sexual misconduct, dating or domestic violence, and stalking. Additionally, students must complete an online training program that reinforces and explains the information and materials received at orientation.

### NEW EMPLOYEE ORIENTATION

New Employee Orientation provides general information to new employees. During the orientation, new employees are provided information on campus safety, discrimination, harassment, retaliation, child abuse and their obligation to report. CSU and campus policy information is provided and discussion on the responsibilities to report to the Title IX coordinator *and* share confidential resources with victims of sex discrimination, sexual harassment, sexual misconduct, dating or domestic violence, and stalking is emphasized.

## FUTURE PLANS TO INCREASE SAFETY

UPD will be upgrading their 9-1-1 system with new equipment and software.

CSU, Chico will continue to expand Card Access security to more doors on campus.

UPD is in the process of recruiting officers to increase patrol staff. UPD plans to hire more dispatchers in 2018 as well.

In the next two years, CSU, Chico will continue to expand and improve our already robust camera and blue light phone systems throughout campus.

CSU, Chico will continue to expand the implementation of Bystander Intervention programming.

---

### CSU, CHICO STATISTICAL REPORT 2016

---

This report is a separate and distinct report from the Annual Security Report required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).
