**PLEASE READ AND SIGN THE FOLLOWING:**

**SUMMARY OF COMPLAINT PROCESS**

After your complaint is filed, a California State University Police Department member assigned by the Chief of Police, will promptly gather all information pertinent to each allegation of misconduct in the complaint. The final disposition of the case will be made by the Chief of Police. You will be notified by letter at the conclusion of the investigation. When complaints are found to be sustained, the Chief of Police shall determine and administer appropriate corrective action.

You have the right to make a complaint against a police officer for any improper police conduct. California law requires this agency to have a procedure to investigate citizens’ complaints. You have a right to a written description of this procedure. This agency may find after investigation that there is not enough evidence to warrant action on your complaint; even if that is the case, you have the right to make the complaint and have it investigated if you believe an officer behaved improperly. Citizen complaints and any reports or findings relating to complaints must be retained by this agency for at least five years.

I have read and understand the above statement.
