## OPERATION IDENTIFICATION: QUESTIONS AND ANSWERS

### Who should participate?

CSU, Chico Students, Faculty, and Staff are encouraged to participate in the "Operation Identification" program.

### How much does it cost?

This program is offered at no cost to CSU, Chico Students, Faculty, and Staff.

### Why should I participate in this program?

Personal property that has been engraved is much less attractive to potential thieves. Thieves know it will be harder to sell or pawn engraved items. They also know that people who take the time to engrave their property are more likely to report a theft (or other crime) to law enforcement.

### What types of property should be engraved?

- Bicycles
- Televisions
- DVD / CD players
- Digital Cameras / Camcorders
- iPods / MP3 Players / Walkmans
- Desktop and Laptop Computers
- Printers, Scanners, Fax Machines
- Binoculars
- Calculators
- Car stereo components
- Hubcaps / Custom Vehicle Parts
- Tools
- Appliances
- Skateboards / Snowboards
- Golf Clubs
- Safes
- Firearms
- ANY OTHER VALUABLES!

### What numbers should I engrave?

Participants should engrave their state-issued driver's license or identification card numbers, along with the two-letter abbreviation for the state that issued the number.

### How can I participate in this program?

There are two ways to participate.

- 1) "Check out" an engraver\* from the CSU, Chico Police Department. Bring photo identification (driver's license/ID card), which will be retained at the Police Department until the engraver is returned. Engravers can be borrowed for up to 24 hours.
- 2) Bring valuable items to the Police Department, "check out" an engraver\* and use the engraver at the Police Department.
