

# Mechanical Engineering

## Alumni Employer Survey

Incidence Tables

Surveyed Fall 2003

		1997 Graduates (N=3)			Strongly Agree			Strongly Disagree	
		5	4	3	2	1	N/A	Mean	
1	Is an effective oral communicator	0	1	2				3.3	
2	Is an effective written communicator	1	1	1				4.0	
3	Is an effective graphical communicator	1	1	1				4.0	
4	Is an effective member of a working team	1	1	1				4.0	
5	Is capable of using appropriate engineering tools required on the job such as CAD systems, . . .	2					1	5.0	
6	Is familiar with current technology	1	1				1	4.5	
7	Is familiar with manufacturing methods	2		1				4.3	
8	Is familiar with appropriate sensors, actuators, or automated systems			1			2	3.0	
9	Is aware of societal or environmental impact of his/her work		1				2	4.0	
10	Is an effective engineer and problem solver	2		1				4.3	
11	I would recommend the Chico State ME program to others	1	1	1				4.0	

		2000 Graduates (N=1)			Strongly Agree			Strongly Disagree	
		5	4	3	2	1	N/A	Mean	
1	Is an effective oral communicator			1				3	
2	Is an effective written communicator		1					4	
3	Is an effective graphical communicator						1		
4	Is an effective member of a working team		1					4	
5	Is capable of using appropriate engineering tools required on the job such as CAD systems, . . .	1						5	
6	Is familiar with current technology		1					4	
7	Is familiar with manufacturing methods			1				3	
8	Is familiar with appropriate sensors, actuators, or automation systems		1					4	
9	Is aware of societal or environmental impact of his/her work			1				3	
10	Is an effective engineer and problem solver	1						5	
11	I would recommend the Chico State ME program to others	1						5
