

Disability Support Services
Report on Goals and Measures of Performance and Quality
July 1, 2005-June 30, 2006

Mission Statement

The mission of Disability Support Services (DSS) is to assist students with disabilities in achieving equal access to all academic programs and facilities at California State University, Chico and to ensure that they have the opportunity for physical, social, and intellectual growth. This goal is consistent with university policy and with federal and state laws.
