

FYE Project Framing Questions

1. How effective are university efforts to forge connections among FY students (with one another) and to faculty, staff and other students? Do students know about and take advantage of the university's academic and personal support resources?
2. How effectively does the FYE Program take advantage of Chico's residential campus environment to enhance academic, social and civic engagement?
3. How effectively does the FYE Program help students explore, experience and critically reflect on diverse social and cultural worlds and new ideas and viewpoints?
4. How does participation in FYE programs affect persistence, graduation rates?
5. How is assessment used to guide and improve First Year Program efforts?
