

SLOs for GE Writing Assessment

CONTENT

1. Write texts that question, investigate and draw well-reasoned conclusions about ideas and issues based on the reading and analysis of sources appropriate to the subject and assignment.

ORGANIZATION & ARGUMENTATION

2. Use organizational patterns (sequences of paragraphs and ideas), evidentiary support, and stylistic and word choices appropriate to the discipline and assignment.

GRAMMAR & OTHER SURFACE FEATURES

3. Write papers that demonstrate proficiency in terms of grammar, syntax, punctuation and spelling, and which use a citation style consistent with the assignment and discipline.
