

The CSU Accountability Process Campus Accountability and Responsibility

The accountability process addresses the following fundamental institutional performance areas, based on the mission of the California State University system and its campuses:

- 1. Quality of baccalaureate degree programs**
- 2. Access to the CSU**
- 3. Progression to the degree**
- 4. Graduation**
- 5. Areas of special state need**
- 6. Relations with K-12**
- 7. Completed remediation**
- 8. Facilities utilization**
- 9. University advancement**
