AGENDA
Campus Conservation Committee
October 13, 2011
BMU 209, 1:30 to 2:30pm

1. Approve Minutes 9-8-11

2. Business
   a. The committee will discuss the completion and submission of the Campus Conservation Committee 2010 Annual Report.
   b. The committee will discuss recommendation updates. Committee members should be prepared to make suggestions on which recommendations are complete or needing further attention. Those not complete will be used to compile an updated list of recommendations and next steps.
   c. The committee will discuss if any of their accomplishments are newsworthy and decide if they should be featured in any of the campus publications.
   d. Eli Goodsell will report on developing a sub-committee to design a Request for Proposal for the University’s Trash Removal services.

3. Announcements
   a. Student evaluation of teachers goes online
   b. Campus Conservation Committee and AS Recycling This Way to Sustainability Presentations
   c. New Campus Sustainability Coordinator Fletcher Alexander

4. Next Meeting – November 17, 1:30pm, BMU 209
