AGENDA
Campus Conservation Committee
December 8, 2011
BMU 209, 1:30 to 2:30pm

1. Approve Minutes 11-17-11
2. Business
   a. Robyn Difalco and Fletcher Alexander will present on the correlation between waste and carbon emissions.
   b. The committee will continue discussing recommendation updates. Committee members should be prepared to make suggestions on which recommendations are complete or needing further attention. Those not complete will be used to compile an updated list of recommendations and next steps.
   c. The committee will discuss if any of their accomplishments are newsworthy and decide if they should be featured in any of the campus publications.
   d. The committee will discuss and decide when the spring semester meetings will be held. Possible dates are January 12, February 9, March 8, April 12, and May 10
3. Announcements
   a. The committee annual report has been submitted to Lori Hoffman.
   b. Dale met with Anna Harris from the Public Relations department to discuss how the CCC may fit in with her sustainability beat.
4. Next Meeting - TBD
