AGENDA
Campus Conservation Committee
October 8, 2010
BMU 209, 1:30 to 2:30pm

1. Approve Minutes 9-9-10

2. New Business:
   a. Jill Ortega from Recology will provide the committee with information on compactors, the different types that are available, the advantage or disadvantages of each, should we purchase, rent, etc. Once the trash gets to the compactor location, how does the trash get into the compactor and are there employee safety concerns that need to be addressed?
   b. Durbin Sayers will report on Recology’s dedicated dump run that was recently conducted.
   c. Current contract with Recology: *The current contract will go out to bid in the spring of 2012. Per Jennifer Thayer, Contracting*
   d. Work Study Student to assist committee – discuss job description (see attached)
   e. Eli Goodsell will present Freecycle - [http://quickbase.intuit.com/freecycle](http://quickbase.intuit.com/freecycle)

3. Old Business
   i. Committee membership - who
   ii. Revisit founding documents to establish direction

4. Next Meeting – Friday, November 19th at 1:30 pm
