

## **Brighten Your Corner**

Have you noticed the great difference between the people you meet?

Some are as sunshiny as a handful of forget-me-nots.

Others come on like frozen mackerel. A cheery, comforting nurse can help make a hospital stay bearable.

An upbeat secretary makes visitors glad they came to see you.

Every corner of the world has its clouds, gripes, complainers, and pains in the neck—because many people have

yet to learn that honey works better than vinegar.

You're in control of *your* small corner of the world.

Brighten it. . .

You *can*.
